

Chairmen's Chapters

Lowell T. Twitchell: 2004

Pat and Lowell Twitchell

It was an honor and a pleasure to serve on the First Monetary Board.

I owe this privilege to Frank who had the foresight and business acumen to form First Monetary for the mutual benefit of its members.

He has led the company with finesse and we have all felt like family because of the impeccable hospitality of the entire First Monetary Team.

Congratulations to all for attaining this 25 year milestone!
